

Gold Member Hassetts Bakers & Confectioners

About the Company

Hassetts Bakery was founded on the principle of making great-tasting treats and snacks using only the finest quality ingredients that are free from artificial colourings and preservatives. The business was influenced by founder Michael Hassetts' time working across Europe, as a trained chef in the early 1980s. On returning to Ireland, Michael started his bakery based in Douglas, Cork in 1984. Nearly 40 years later, this family-run business has grown to offer a wide range of products, including artisan bread and confectionery, such as cakes, desserts, biscuits, crackers, granolas, chocolates, and ice creams. Continuing to grow and develop, Hassetts now have shops in the English Market, Douglas Court and Blackpool Shopping Centre. The company holds many awards, including Blas na hEireann, Great Taste, Artisan Business of the Year, and Best Cork Export Business.

Spotlight Target Area: Energy

Hassetts became a member of Origin Green in 2018, committing to a five year sustainability plan to 2022. Operations Manager, Georgina Wolsztynski, leads its sustainability team across the business with the support of her colleagues Rose O' Kelly and Sarah O'Connor.

In 2021, energy use at the company fell by 26% on a per unit basis (kWh/t) for a cumulative reduction of 30.5% since 2018, a major accomplishment. A 2021 preliminary energy audit identified six new possible areas for energy savings at Hassetts over the coming years and those projects have been added to the companies planned initiatives for 2022, highlighting the company's commitment to continuous sustainable improvements.
